

# >> Round 5 <<

## Making Round

Now that David Walliams has been dropped like a sack of cold shit, there's a gap in the market for someone else to take his spot. Choose a celebrity you think could be the next big sensation in children's literature, then come up with a title, a front cover and a back page blurb for their celebrity cash-in kids' book.

There's no wrong answers. Your quizmaster will award points at their discretion.
